

SUMMER 2010 UNIVERSITY OF CHICAGO REU PROGRAM
8 week program, including work in YSP or SESAME

CHECK ONE:

I will participate in the program; I understand that it is my responsibility to be present M-F 9:00-5:00 from June 21 to August 13, 2010, and that I will not engage in any other employment during that period without the explicit approval of the program director. I will work in the YSP or SESAME program, whichever I'm assigned to. I will attend classes, meet with my mentor(s), and write a final paper. I will show progress towards the paper by July 31 and complete it by August 31, after having it read by my mentor(s) and responding to their comments.

I will not participate in the program
