

THE UNIVERSITY OF
CHICAGO

The Stevanovich Center for Financial Mathematics

Applications are invited for the following position:

**Research Associate (Instructor)/Lecturer
The Stevanovich Center for Financial Mathematics**

Outstanding candidates in the areas of Financial Mathematics/Statistics/Econometrics/Economics are welcome.

The Research Associate (Instructor)/Lecturer will have his/her appointment in the Department of Statistics or Mathematics, and will be associated with the new Stevanovich Center for Financial Mathematics.

The initial appointment is for one year, with possible renewal for an additional year.

The successful candidate, who must have a PhD by the date of the appointment, will be expected to teach one course per academic year, and is otherwise at liberty to do research. The position provides the opportunity for a new PhD to focus on his/her research.

The Stevanovich Center for Financial Mathematics is jointly operated by the Departments of Mathematics, Statistics, and Economics.

Interested applicants should send cover letter, CV, research statement and 3 letters of reference to:
