

The Di- in Dim Sum

by Ucaoimhu

In tribute to the food served at B-Side's birthday gathering, this page contains multiple smaller items. The two word squares use the same clues; the enumerations after the clues are given in left-square, right-square order. When the squares are complete, you can read a name for this gathering horizontally across the page.

1. Stuff in narcos' microscopes, derived from what's two away from rhodium (alternating down and left in particular) (5)(5)
2. Originally, person connected with craft and — west of Mallorca — with this sort of carousing about (5)(5)
3. Rite adapted to enthrall (essentially) Sam is mad (5)(5)
4. Say, how one starts ugly tussles Toni's entirely randomized (2'1 2)(5)
5. For Ucaoimhu, the second and penultimate of letters, plus one end of song, spells out a name associated with this restaurant (5)(5)
