

Waves of Grains

by Ucaoimhu

Grains of beach sand have found their way into this party (making six squares overcrowded) and are now waving frantically at the hostess; by interpreting their appearance properly you can (depending on how you solve two ambiguous clues) identify either *them* or *what they want to drink*.

ACROSS

1. Underwear- and slip-clad female is that female foundry worker (2 wds.)
10. In addition, Senator Franken's not naked
11. Bovine sounds overwhelming normal, nonstereophonic recordings
12. The doubly empty head of Voltaire
13. How a king's courtier denies I snore abominably (2 wds.)
14. Sailors touching one's ankle bones
16. Spy was worried about oval-bowled eating utensils (2 wds.)
18. Jacob's brother superficially esteems gold
19. Friend at BU initially loves reflective sound of a heartbeat (*hyph.*)
21. Found an old Ford model was swift
23. In the end, the half-pint turned purplish
25. The codger who I mocked merrily (3 wds.)
28. Dakota Johnson's fifth promise to pay Mark
29. Having defeats essentially disrupted lion's bit of gashing
30. For example, embracing 10' 1" veteran (*hyph.*)
31. Angular character circling Greek character's location
32. Some ice Ziegfeld talked about
33. Daniel Stern almost bags film depicting good (rather than excellent) terpsichorean instructor (2 wds.)

DOWN

1. Brigand didn't allow Morticia's cousin to be heard
2. Help blockhead heading to Iowa State
3. One who would receive orders from Captain Hook and seem confused
4. My group's in fashion 75 years before the eruption of Vesuvius (2 wds., *abbr.*)
5. Sextet of violins I tune right where they are (2 wds.)
6. Say, ties up logic gates
7. Kind of light, small shirt put over a dress
8. He's an author, and (to be heartless) old!
9. Agents might be about, by the way
15. Wildebeest chanted to the heavens
17. A dozen quartered west of that Brazilian city
18. Reverberant selection's end moves to the start
19. Muse comes up and hugs outwardly unloved thriller author Robert
20. Hamilton's killer holds one end of German/English item a cook might monitor
22. Shift two meat-eating leaders from Natick northwards (2 wds.)
23. Playing Pong is something Kate Upton does
24. Remove sediment from LEDs it sullied
25. Reportedly, you and I had pot
26. No comic-book mutants would drop 1000 bovines
27. Actress DuVall is 80% lucid
